

Ḥadīth Seven

'Ajwah dates when consumed continuously break siḥr

<p>And We have not sent you [O Muḥammad] except as a mercy to the worlds (21:107).</p>	<p>﴿١٠٧﴾ وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ</p>
<p>Whoever eats seven 'Ajwah dates every morning, will not be affected by poison or magic for the entire day. Recorded in Al-Bukhārī & Muslim.</p>	<p>مَنْ تَصَبَّحَ كُلَّ يَوْمٍ سَبْعَ تَمْرَاتٍ عَجْوَةٍ لَمْ يَضُرَّهُ فِي ذَلِكَ الْيَوْمِ سُمْ وَلَا سِحْرٌ</p>

Points of benefit:

1. Having seven 'Ajwah dates or more the first thing in the morning every day will prevent the effects of siḥr for at least that day.
2. Consuming it continuously can eventually break all the siḥr.
3. The following physical remedies: 'Ajwah dates, honey, Qustul-Hindi can effect and break spiritual illnesses.
4. Even though these treatments are a means of cure, they are still within trial and experimentation; differing from person to person, the actual cure may take place by any of these means.
5. The specific utilisation of these physical remedies are within experimentation, as the actual HOW to utilise them was not mentioned in detail. The Waḥye (Revelation) mentioned them either generally or specifically as a means of cure, but left it to the experts to experiment and find the best methods and amounts to treat and cure people.
